

TracTime™ TIPS & TRICKS

ISV/Software Solutions
Mobility Solutions

Volume 6, Issue 12
December, 2005

TIPS & TRICKS is Now On The Web!!!

See you at our **BOOTH W3793**
At the International Builders' Show at
techHOMEExpo in the West Hall. See you there!

2006
International
Builders' Show
January 11–14, 2006
Wednesday–Saturday
Orange County
Convention Center
Orlando, Florida

We will be showcasing our new remote scheduling software features

New Pocket PC features include:

- >> • **Homeowner Walks**
Electronically track and publish homeowner walk items. Commenting on every detail of every room.
- >> • **Punchlist**
Keeps subcontractors accountable for quality, completion of tasks and unresolved items.
- >> • **Options**
Up-To-Date options selections in the manager's hand. Payments triggered as options are installed.
- >> • **Printable Reports**
Print and distribute reports from your Pocket PC, without a PC.
- >> • **And Much More...**

TracTime has recently withstood and passed Microsoft's rigorous 'Designed for Windows Mobile Certification Program'. This certification brings great benefits to every user and every project.

We now proudly display the logo as shown on the top of this newsletter.
